

Girl's Trip – A Virtual Tour of Beauty in Japan

We, first and foremost, would like to express our apologies for the inconveniences caused due to the technical issues we encountered during "Girl's Trip - Soak in Japan's essence, reveal your beauty: Online!" event held on 10th Oct. We attempted numerous ways to fix the technical issues. However, they were unable to be resolved, leading to us being unable to broadcast the live streaming onto our Facebook page.

To make up for this, we have decided to do the Facebook live streaming on 31st Oct from 2.00pm (SGT), and the online event will be titled "Girl's Trip - Soak in Japan's essence, reveal your beauty: Facebook Live!". We will feature contents from Japan that are aimed at enriching one's mind, body and soul.

From healthy foods, to onsen and healing nature, we will show you the wonderful experiences Japan has for you to beautify and pamper yourself. Come join us if you haven't.

For more details of this upcoming Facebook Live online event, please check out the following:
