

"Gift an unforgettable birthday in Japan!" – Flying you and your loved one(s) there for a special memory

JAPAN by Japan is searching for participants who would like to collaborate with us to make some promotional videos for Japan! More importantly, participants can design a once-in-a-lifetime celebration for your loved one(s) in Japan through this opportunity.

Selected participants will have to create an itinerary together with our JbyJ staff that matches the theme and requirements of the campaign. You will then bring your loved one(s) along to Japan and enjoy the trip based on the itinerary you have created! Along the way, our camera crew and JbyJ staff will be documenting your journey by taking videos and photos of you and your companion(s). This documented trip will be published on JAPAN by Japan's media and those related, such as website, social media, and promotional pages to inspire Japan lovers in Singapore for their next trip to Japan!

One group will be selected for each of the following routes:
(1) Hokkaido
(2) Hiroshima and San'in (Tottori & Shimane)

If you would like to create a memorable trip with your loved one(s) and bring the charms of Japan to follow Japan lovers here, check out the "Gift an unforgettable birthday in Japan!" campaign page that will open on **2 June 2023**. **Applications will begin on the same day and ends on 31 July**, so act fast and do not miss this out!

*Travel expenses within the itinerary are on us!

Important Notification

Presenting a valid vaccination certificate or a PCR negative test certificate is no longer required when entering Japan. However, Visit Japan Web can still help you save time and hassle when clearing the customs and immigration on arrival in Japan, and can even generate a Tax-Free QR code for your shopping at participating merchants.
